Ladies', Girls' Zone Finals Decided

Ladies' and girls' Zone 12 curling playdowns were held in Drayton Valley last weekend and finalists decided to advance to the next round on the way to the provincial final.

The ladies' event was won by the Neil rink of Drayton Valley which now goes on to the Northern Playdowns at Wainwright, starting on Friday of this week.

Competing in the ladies final were rinks from Whitecourt, Stony Plain and Drayton Valley. Sixteen zone finalists will meet in the Wainwright playdown.

The Whitecourt entry in the girls' event defeated Laura Leake's Drayton Valley rink by one point in the final game to win the right to advance.

The Whitecourt rink of Darlene Brand, Penny Pinder, Sheila Cox and Debbie Deeks, will go on to the northern final in Edmonton, starting January 29th. Sixteen zone winners will also be represented in the Edmonton playdown to determine a northern winner to advance to the provincial final.

Rinks from Drayton Valley, Whitecourt, Mayerthorpe and Onoway took part in the girls' zone final.

Members of the winning ladies' rink were Mrs. Marg Neil, Mrs. Lil Roos, Mrs. Marilyn DesBrisay and Mrs. Glenda Bannard.

The Drayton Valley rink in the girls' event was composed of skip Laura Leake, Cathy Yurchak, Janine La Branche and Jo-anne Chenery.

Rock Club Organized

About twenty persons were present at a meeting in the Town Hall last Wednesday to consider the formation of a local rock club.

Considerable interest was shown and it was decided to proceed with organization of the club which will be named at the next meeting. All persons present were asked to think about appropriate names.

The meeting elected Rudy Merschel as president and Dave Ellery as secretary-treasurer. The group will meet regularly on the second Wednesday of each month at 8:00 p.m.

The Alberta Federation of Rock Clubs is to be contacted for any information of value to a new club as well as information concerning joining the federation.

Next meeting will be held in the Town Hall on Wednesday, February 10th and will be a specimen night and all invited to bring unusual or interesting rock specimens. Meetings are open to all interested.

Mayor to Open Minor Hockey Week

Mayor Lloyd Maclean will officially get activities underway Saturday, January 23rd at 1:00 a.m. when he drops the puck to start the Bantam Tournament and Minor Hockey Week.

Various special events have been scheduled during the course of Minor Hockey Week, which includes seven tournaments at each level of minor hockey in Drayton Valley. Several broom ball games have been scheduled which will provide top notch entertainment for the spectators. Schools are joining in with the activities with special showings of hockey films during the noon hours.

Of special interest for the students of the Drayton Valley area will be the broom ball game between the Astronomical Particles (Staff of Junior High and St. Anthony's Schools) vs the Stratosphere Bodies (Staff of Elementary and High Schools), on Friday, January 29th at 10:00 p.m.

Minor Hockey Week will conclude with the presentation of Most Valuable Player Awards for each tournament to be given away during the Senior Rebel - Fort Saskatchewan game on Saturday, January 30th.

Help support the Minor Hockey Program in Drayton Valley by taking in one of the events at the Centennial Arena during the week of January 23rd to 30th.

Minor Hockey Week is also being observed throughout Parkland County with a declaration to this effect by County Reeve Les Miller at the last regular meeting of the County Council.

Mayor Lloyd MacLean of Drayton Valley also declared the week of January 23rd to 30th as Minor Hockey Week in the community. He called on all residents to help support the minor hockey program by attending some of the events planned.

There's No Future In Reckless Driving

Industry Incentive Change Suggested

Allen Sulatycky, Liberal M.P. for Rocky Mountain Constituency, was a Drayton Valley visitor last week and met several residents at a noon luncheon in the Cardium Room Thursday.

Several topics were discussed, among them Mr. Sulatycky's suggestion for a change in the present method of providing incentives for industry to locate in particular areas. He suggests a penalty for those that locate in heavily industrialized areas to encourage selection of sites in regions of depressed economy.

Mr. Sulatycky noted that he had introduced the idea in the House of Commons without too much response. However, he said, the suggestion now appears to be gaining popularity with senior civil servants and should receive wider acceptance when re-introduced in the House.

He suggests a scale with heavily industrialized areas at the top working down to those with no industry. He visualizes the heaviest surcharge being paid by those that locate in areas like Southern Ontario, and a graduated amount for locating in areas of moderate industrialization, such as Calgary or Edmonton.

The plan, he says, will give industry the opportunity of locating in the area of its choice, rather than the present method of providing incentives in locations that might eventually prove unfavorable.

The idea, he felt, should be attractive to industry with the opportunity to select a site in a wide variety of locations rather than having the government dictate sites available in a much narrower field.

No Rabies Reported in Area

Rabies, first reported in Alberta in October, has since spread to many areas of the province. The spread of this disease is attributed largely to coyotes, which are capable of covering many miles in a day.

Although attempting to avoid panic situations many communities are taking steps to provide anti-rabies clinics and the town of Whitecourt has undertaken a round-up of stray pets.

Among recent confirmed cases was a cow west of Ponoka and symptoms in a dead coyote found near Pigeon Lake. Infected dogs, a pig and cat have also been confirmed.

Dr. B. B. Morden, Drayton Valley veterinarian, states that the disease moved into the province from the east and as yet he has not encountered it in this area. He held clinics in Lodgepole and Tomahawk last week, vaccinating about 60 animals.

Many Drayton Valley pets have already been immunized, and no clinic is planned for the community. Clinics are normally organized at the request of pet owners, Dr. Morden said.

Annual Meeting Of Chamber

Annual meeting of the Drayton Valley and District Chamber of Commerce will be held in the Town Hall at 8:00 p.m. on Thursday, January 21st.

Election of officers for the new term will be a major item on the agenda.

Rebels Take Over League Lead

by DOUG BARNES

Six straight wins have put the Rebels on top of the N.C.A.H.L. two points ahead of Camrose Maroons. Tuesday night, January 12th, the Rebels hosted the Maroons and bombed them 9 to 4.

Rebels were led with a 4-goal performance by Sam Belcourt. Henry Hodgson and Jim Feeney scored two each with a single coming from Ray LaPointe.

Camrose opened the scoring at 7:57 of the first on a goal by Len Gumpinger. Sam Belcourt scored his first of four at 10:38 unassisted. Camrose replied at 18:47 with a goal by Molstad, then at 19:25 Jim Feeney tied the game unassisted. The period ended tied.

Camrose scored quickly in the second at :47 seconds by Brandt. Then for nine minutes the score remained Camrose 3 Rebels 2. At 9:58 Henry Hodgson scored his first of two goals assisted by Sam Belcourt and Frank Roggeveen. Tieing the score at 3 to 3. Maroons took the lead again at 14:48 with a goal by Alex Wilhauk.

At 19:07 Sam Belcourt scored from Doug Hall and at 19:46 Sam picked up his hat trick assisted again by Doug Hall and Jim Feeney. Second period ended, Rebels 5 Maroons 4. From here on the Rebels never looked back. Scoring four unanswered goals in the third period

Sam Belcourt got his fourth at 0:29 seconds of the third period from Henry Hodgson who also picked up his second at 7:15 assisted by Louie Hendrikson. Ray LaPointe scored Rebels 8th goal at 8:12 assisted by Terry McGowan. Jim Feeney got his second goal at 9:58 assisted by Doug Hall.

This was a good fast hockey game with lots of hitting. It appeared the Maroons ran out of gas in the third period.

Barry Pankewicz in goal for the Rebels made some great saves in the third period when the Maroons put the pressure on.

The win tied the Rebels and Maroons for first place and made Saturday nights game in Wetaskiwin a must for the Rebels. A win would put them in first place as the Maroons were idle and don't play until the 19th against Fort Saskatchewan.

Saturday nights game turned out to be a real fast skating hard-hitting game.

Sam Belcourt opened the scoring at 0:56 seconds of the first period assisted by Henry Hodgson and Ray LaPointe. Wetaskiwin replied at 6:22 and 8:28 with goals by Hoult and Maciborski. Henry Hodgson took over for the Rebels at 6:48 of the second period and scored his first of 3 goals assisted by Roggeveen and Belcourt. Colonels scored their last goal at 12:59 of the second period by MacEachern. Period ended 3 to 2 Wetaskiwin.

At 3:52 of the third period Henry Hodgson picked up his second goal assisted by Sam Belcourt and Doug Hall. He finished off his hat trick at 6:22 assisted by Doug Hall and Frank Roggeveen.

The Rebels were hard-pressed to hold off the Colonels for close to 14 minutes as they picked up three penalties during this time. The Colonels did not get many good shots away due to good back-checking of the Rebels. Also when the Rebels were short-handed Wetaskiwin had trouble getting out of their own end and the Rebels showed good fore-checking and puck control.

Twelve penalties were handed out by referee's Jim McCallum and Bob Magee, eight to the Rebels and four to the Colonels.

The Rebels don't have a home game now until January 30th and 31st when they host Fort Saskatchewan in a double header. They travel to Westlock this weekend for a double header with the Eagles.

Hockey fans don't forget Minor Hockey Week January 23rd to 30. Don't send that boy of yours, take him and stay and watch him play.

Artificial Ice Opened At Buck Lake

The Official Opening of the Artificial Ice in the Buck Lake Curling Rink took place Sunday, January 10th at 2:30 p.m., with Mr. Dallas Schmidt doing us the honor of cutting the ribbon. Mr. Wilbur Brubaker, being the eldest curler here, was asked to throw the first rock.

A delicious Pot Luck Dinner was served by several ladies of the community, and was much enjoyed by those present. Persons sitting at the head table were Reeve Dallas Schmidt and Mrs. Schmidt, Councillor Alec Danyluk and Mrs. Danyluk, President of the Recreation Centre, Mr. Ronald Krysta and his wife Linda, and Mr. Wilbur Brubaker. Mr. Lawson Patten introduced Mr. Schmidt and Mr. Danyluk, who both spole briefly, complimenting the community on our efforts to bring this facility into being and wishing success in the future.

Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Monday, January 11. Minutes as recorded by Secretary and not yet officially adopted.

Members present were Reeve Leslie N. Miller, Councillors Robert A. Bailey, Roy Lent, George Mann and Ivan Vowk.

Letter dated January 4th, 1971 from the City of Edmonton was presented to the Council, requesting permission to extend its 1971 mosquito control program into the County. It was agreed on motion that permission be granted to this request.

Request for the County Police Department to patrol the Winterburn Indian Reserve was received from Enoch Band Council. It was agreed that further information be requested regarding financing of these services.

A petition containing 34 signatures was presented to the Council concerning the condition of the roads in the Woodbend area. The petition was received for information and ordered filed.

Notice received that the Annual Spring Meeting of the Alberta Association of Municipal Districts and Counties will be held in Edmonton on March 31st, 1971. It was agreed that all members of the Council be authorized to attend this meeting.

Request for a speed limit on the road on the west side of section 16-53-25-4 was received from Mrs. Mary Moon of Winterburn. It was agreed to advise Mrs. Moon that since this is a main road, restricting the speed limit is not advisable.

It was agreed that the next meeting of the Council be held on Tuesday, January 26th, 1971 for the reason that the next quarterly meeting of the Edmonton Union of Municipal Districts and Counties is being held on the regular meeting date of Monday, January 25th, 1971.

Councillor Bakker was in attendance at the meeting at this time.

Notice received that the 1971 Annual Conference with Municipal Officials to discuss the Emergency Measures/Civil Defence program will be held in Calgary on February 10th - 12th, 1971.

It was agreed that Councillors Roy Lent and George Mann and Civil Defence Co-ordinator Gerald Repecka be authorized to attend this conference.

REQUEST FOR SWIM POOL ASSISTANCE

Letter dated January 8, 1971 from the Stony Plain Poolex Committee was presented to the Council requesting financial assistance for construction of a swimming pool in the Town of Stony Plain.

It was tentatively agreed that assistance will be given towards construction of one swimming pool but no specific commitment will be made until it has been determined and agreed as to which Town the pool is to be located in.

Mr. Steve Cherwonick of Cherwonick Surveys Ltd. of Edmonton was present to discuss surveying requirements with the Council.

Councillors Zander and Vowk were excused from the meeting to attend a meeting in Drayton Valley.

It was agreed that penalties levied on taxes be cancelled with respect to the following properties. Lot 1, Block 2, Plan 5500M.C. NW 1-51-26-4 - $2.99; Lot 7A, Plan 6284N.Y. - SE 12-51-26-4, $0.72; Block 5, Plan 56R.S. - SE 26-51-26-4, $14.86. Total - $18.57.

These penalties were cancelled for the reason that the owner of the properties did not receive a tax notice due to the tax notice having been wrongly addressed.

Offer to purchase the SW & NE 2-54-7-5 for the sum of $5,000. was received from Mr. Donald W. Nixon of Edmonton. It was agreed that this offer be not accepted for the reason that it is too low.

By-law No. 2-71 to authorize the making of an agreement with the Councils of the Town of Stony Plain and the Town of Spruce Grove for the joint construction, ownership, maintenance and operation of a water transmission pipe line and an agreement with the Minister of Public Works for the laying out and construction of a water transmission pipe line received three readings and passed by unanimous consent of the Councillors present.

Mr. Herb Martin of Westeel-Rosco Limited called on the Council regarding culvert requirements.

It was agreed that an order for culverts in the amount of $5,000. be booked with Westeel-Rosco Ltd. for 1971.

The meeting reconvened for business at 1:45 o'clock p.m. with everyone present except Councillors Zander and Vowk.

Mr. Emil Richter of R.R.1 Thorsby was present at the meeting and requested construction of the road from the E 1/2 20-50-5-5 north. This request was referred to the Public Works Committee for inspection.

Mr. Walter Frank and delegation were present at the meeting to discuss with the Council some problems being encountered by farmers in the area north and

DONATO TELEGRAM SYNDICATE

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

Late this month, people across Canada will begin gathering signatures for a petition urging the federal government to make Canadian independence the top priority in its legislative program.

Members of the Committee for an Independent Canada have already formed chapters in Calgary and Edmonton, and hope to expand into 10 other Alberta communities in the near future.

The committee describes itself as "populist" and non-partisan -- Farmers of Alberta and Social Credit governments in Alberta.

The CIC, founded nearly a year ago in Toronto, has drawn many of its Alberta charter members from existing political parties. Liberal Senator Harry Hays, onetime Tory MLA and MP Art Smith and well-known Edmonton Liberal Mel Hurtig co-exist in the CIC despite widely-varying political views.

For provincial politicians, however, the CIC poses a difficult question. With an election in the wind and the level of partisan invective rising almost daily, prominent Socreds and Tories are keeping a safe distance from any group which might cause them future political embarrassment.

The problem with the CIC at the moment -- as many of its supporters indicate -- is that its aims have been diffused to encompass all viewpoints and no means of achieving its nationalist goals has been proposed.

Ever since Confederation, Canadians have talked of methods by which the degree of foreign involvement could be reduced if not eliminated. The most recent peak of concern is merely a continuation of the debate.

"There are two directions the committee can take," public relations executive Smith says. "One says we have to do things ourselves. The other is anti-American."

Like politicians in the two major Alberta political parties, Mr. Smith is afraid the committee will place a higher priority on ridding Canada of foreign investment capital than on developing native industry.

His fears have some justification -- most of the prominent leaders of the CIC have a history of advocating controls on U.S. investment in Canada. Probably Premier Harry Strom and Opposition leader Peter Lougheed would agree that being connected to an anti-American policy at this time would be politically dangerous.

Mr. Strom has made a few cautious responses to the new generation of Canadian nationalists. He has told oil companies Headquartered in the U.S. that Albertans should be getting more jobs in the petroleum industry. And a government-appointed committee is investigating "foreign" influence in provincial post-secondary education.

The experimental nature of the Socred government's initiative is underlined by the fact that Mr. Lougheed so far has remained noticiably silent on the whole question.

The CIC could have a bright future in Alberta, but it won't enjoy significant participation by partisan provincial forces until the impending election is out of the way.

Afternoon Ceramics Class to Start

A general meeting of the Drayton Valley Ceramics and Craft Club was held on January 12th. It was decided to start a class on Monday afternoons. We still have Tuesday and Thursday evening classes. The new term starts the first week in February.

The Drayton Valley Ceramics and Craft Club is owned and operated by the members on a non-profit basis. At the club all members learn to pour, sand and glaze their own Ceramics. Members also have the opportunity to learn to fire Kilns.

Anyone wishing more information or wishing to register please contact: Mrs. Grace Pintowski at 542-4091; Mrs. Ariel Roberge at 542-3546; or Mrs. Rose Wickland at 542-3434.

The first 45 to register will be accepted.

WEDDING REPORTS

-- Over 1 month old will not be accepted for publication in The Western Review.

LETTERS TO THE EDITOR

Editor,
The Western Review,
Dear Sir:

Congratulations to "Tax Payer" writing regarding dogs in Drayton Valley.

This writer heartily agrees with "Tax Payer" and would enlarge on his statements in that there are three places for dogs, i.e. tied up, in a dog team or dead. We have tried everything that "Tax Payer" has -- and also used a sling shot, sticks, stones and brooms to no avail -- they still pollute our lawns, gardens, fence posts and molest our children.

In the far north, dogs perform a useful function, in working, but are tied up at all times. Our R.C.M.P. are commissioned there to shoot any stray dogs that are loose. This effectively keeps them under control.

In Drayton Valley, If our council would give one warning, to the general public and after a set date, commission our police to shoot any and all stray dogs, we would then be able to mow our lawns and not have to protect our children from dogs.

Again thanks to "Tax Payer".

Editorial Comment

Federal Mediation Only Hope For Delta Problem

Strange indeed that in a country with the educational level boasted by Canada we can do such a good job of wrecking our resources and one province is allowed to jeopardize the resources of another in its bid for progress.

Why the Bennett Dam was permitted before a complete study of its effect on the downstream ecology was undertaken, is beyond comprehension. This just cannot be permitted if we hope to maintain any semblance of balance and the only answer is a federal mediation board to approve projects of an inter-provincial nature.

The scientific symposium meeting in Edmonton last week was told that the Athabasca delta, starved for water held back by the Bennett Dam, could still be saved but only by early action. Our hope lies with the federal government's chances of reasoning with British Columbia.

As we watch the death of the delta, along with the pollution of lakes and streams, population explosion, and all of man's other mistakes that help make the earth less hospitable -- we should remember that there's no where to go after this planet is depleted.

Highway Access Presents Traffic Hazard

Unless better highway access is soon provided at Spruce Grove we can anticipate a growing accident toll. The booming population, mainly Edmonton workers, are faced with the necessity of entering or leaving the highway twice a day, often at periods of heavy travel.

Entry within the town's speed zone doesn't pose a great problem, but immediately east of the community boundary is an access from the Broxton Park sub-division that seems destined to produce a serious accident soon.

Drivers attempting to enter Highway 16 are faced with two lanes of traffic going both ways at highway speeds. They must wait on the highway shoulder with motor roaring watching for a break they can slip through. A mis-calculation could be fatal for several people.

Your Pontiac-Buick dealer is going all out to make up for lost time!

Some of the equipment illustrated or described is optional at extra cost.

Left rear: Pontiac Safari Station Wagon. *Centre:* Pontiac GT-37 Hardtop Coupe.
Right rear: Buick Centurion Four-Door Hardtop. *Foreground:* Pontiac Parisienne Brougham Hardtop Coupe.

If you're happy our '71s are rolling again, think of your Pontiac-Buick dealer. Happy? Just ask him!

It's been a long wait for all of us.

So right now, your dealer's all set to make it really worth your while to come in and talk deal.

You see, he is practically out of used cars. His salesmen, not having many '71 models to sell, have been selling used cars with great success.

So your car is in demand. Right now!

What that means to you is a generous trade-in allowance and the earliest-possible delivery of your new '71.

If you want a deal—and a new car—that was worth waiting for, come on in to your Pontiac-Buick dealer's.

His 1971 Pontiac and Buick full-size models are new from the ground up. New suspension system, new body, new frame, new everything—including new beauty, inside and out.

You'll find full-size Pontiacs and Buicks now come with power front disc brakes as standard equipment.

And they have a new roof design that allows for much more glass area all 'round. Greatly improving visibility. The new double-panel roof also helps make our cars even quieter.

Newness is everywhere. For instance, all 1971 engines have been designed to operate efficiently on the new no-lead, low-lead or regular gasolines. In addition to the lower exhaust emissions attainable with this engine/fuel combination, there are benefits in longer life for your spark plugs, exhaust system and other engine parts.

And that's only the beginning of the great news for 1971.

You'll discover, again and again, that the accent is fairly and squarely on value!

See your dealer today. Start making up for your lost time with a top deal on a new '71 Pontiac, Buick or Acadian.

The sooner you order, the sooner you'll be driving it.

MAGNOLIA NEWS

Another of our local families have constructed their dream home. Albert and Sophie Knudson and family moved into their home shortly before Christmas.

The monthly Ladies' Club meeting was held at Betty Strangways with Marie June as co-hostess. The meeting was on January 6th. Seventeen ladies answered the roll call. The next meeting will be at Mary Reichs on February 3rd. The ladies decided to make a quilt which will be raffled at the picnic in the spring. Betty McDougall was the lucky tea prize winner.

east of Spruce Grove. The problems discussed concerned vandalism, burning of buildings and feed stacks, cattle rustling and slaughtering. The delegation requested that more police patrols be made in the area.

Request for construction of the road west of the SW 23-53-7-5 was received from Mr. I. Dansereau of Edmonton. It was agreed that construction of this road be not considered as the cost would be too high.

The meeting continued Tuesday, January 12th.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Messrs. J. Glowach and E. Danchuk from the department of Highways and Transport and Mr. W. Hardcastle from Calgary Power Ltd. were present at the meeting to discuss with the Council the proposed location of the Highwale road extension from the Sundance junction, west.

Also discussed with the representatives from the Department of Highways and Transport was the proposed railroad crossing at Carvel on the Carvel - Genessee road.

PUBLIC WORKS

Public Works procedure and organization for the coming construction season was discussed.

It was agreed that the Public Works Manager present a job description to the Council for consideration.

Request for access to the E 1/2 20-50-5-5 was received from Mr. Emil Richter of R.R.1, Thorsby. It was agreed that an attempt be made to negotiate a right-of-way lease across the NW 20-50-5-5 and offer the owner an annual rental of $50.00.

It was agreed to present a submission to the Department of Lands and Forests suggesting that the following lakes in the County be restricted to boats subject to a speed limit of 8 m.p.h.: Muir Lake, Secs. 31 & 32-53-27-4 Lake Mere, Secs. 32 & 33-53-1-5 Chickakoo Lake, Secs. 33 & 34-53-1-5; Hubbles Lake, Secs. 8 & 9-53-1-5; Hasse Lake, Secs. 13 & 14-52-2-5; Jackfish Lake, Secs., 8, 9, 16, 17 & 21-52-2-5; Mink Lake, Secs. 28 & 33-52-2-5; Star Lake, Secs. 19 & 20-52-2-5; Lake Eden, NE 13-53-2-5 Mayatan (Bad) Lake, Secs. 7 & 18-52-2-5 and Secs. 12, 13 & 14-52-3-5; and Whitewood Lake Secs. 20 & 21-53-4-5.

It was further agreed that consideration should be given to the following suggestion:-

1. Water skiing should be prohibited on all lakes in the County during the hours between sunrise and 12:00 o'clock noon.
2. The limit on small lakes whould be based on motor horsepower rating instead of speed.
3. No water skiing should be allowed closer to shore than 1,000 feet except for the purpose of starting and stopping.
4. All swimming areas should be clearly marked with stationary bouys.

MINOR HOCKEY WEEK

It was agreed that Reeve Leslie N. Miller be authorized to proclaim the week of January 23 to 30, 1971 as Minor Hockey Week, on behalf of the County.

Request that coucil accept a cash deposit in lieu of completion of the roads in a subdivision in the NE 23-51-27-4 was received from Hamner Investments Ltd. Public Works Manager, Kent Craig, advised the Council that he had received further information in this connection and it would now be in order to accept a deposit.

On the basis of this information it was agreed that the resolution passed in this connection on December 30, 1970 be rescinded and a deposit of $2,000.-00 for the unfinished construction plus an amount for gravelling be accepted.

Warriors Outlast Concordia College

In a North Central Western Division High School Basketball League Contest the F.M.H.S. Warriors defeated a sharp Concordia College five 60-53 in Edmonton last weekend to move into sole posession of first place with a 4-0 record at the half way mark of the schedule.

The Warriors led throughout the game but were hard-pressed in the last quarter as Concordia out-scored them 18-9 with some tremendous shooting and a terrific offensive thrust.

Larry Mattoon's deadly shooting throughout the contest was a major contributor to the Warriors victory as he led both teams with a sound 22 point performance. Barry Swap playing his second game at the left forward position followed with 14 points but in review the victory was a total team effort as the local Drayton club is beginning to round out into a solid, strong club.

For Concordia College Randy Willie, Stan Stumph and Hugh Zepriek showed themselves very smooth and accomplished ball players. The Warrior coach still sees this Concordia team as the team to beat for Northern Alberta Zone Championship honors. The Concordia team will be in Drayton Valley the middle of February in the final league contest.

Glen Swanlund who has been out of action for a year because of a hand injury is now ready to begin again and joins the Warrior club this week.

This Friday the Warriors will be at home to St. Albert High School for their fifth league contest.

Warrior scoring to date is as follows: Larry Mattoon, 193; Doug Ibbotson, 179; Ken Dusterhoft, 163; Blair Ibbotson, 102; Barry Swap, 73; Stan Oulton, 46; Gerald Dusterhoft, 40; and Roger Hutchinson, 17.

By the time a man gets to greener pastures, he can't climb the fence.

Entwistle Council Regular Meeting

The regular meeting of the Entwistle Village Council was held Monday evening January 11th. Recreation matters were given considerable time, with Mr. Syd Moore of the Regional Recreation Office, and Mr. Don Gylander, local representative to the Regional Board, in attendance.

Mr. Moore is proposing location of a Recreation Zone Director in this area and asked Council to make office space available if this appointment goes through. Motion was made by Clarence Willoughby that Council make sufficient space available in the Village office by removal of a wall, thus utilizing what is now hallway for general office area.

By-Law No. 178 for purpose of amending the original Recreation By-Law to provide for the appointment of local Recreation Board members in August rather than October, and to provide for members to be appointed from the Community at large with the only requirement being that one member of the Board shall also be a member of Council, was given three readings and passed.

Motion was made by Kenneth Marion that Mr. Leo Jensen's resignation from the Recreation Board be accepted and Mr. Brian Gansld be appointed to replace Mr. Jensen.

Council has for some time been considering revoking the present By-Law providing the Discount on current taxes, and also to amending the present By-Law providing for the imposing of penalties on taxes. In this respect By-Law No. 177 was given three readings and passed by unanimous consent of Council present, at this meeting. A copy of By-Law No. 177 is also published in this issue and Council requests that all ratepayers pay particular attention to this notice.

Motion was made by C. J. Starling that Mobile Home residents moving into Village owned lots be required to make a fifty dollar ($50.) deposit which will be refunded on departure providing all accounts due to the Village by the Mobile Home resident have been paid.

Mr. Walter Hofmann's resignation as Fire Chief was accepted by Council and Mr. Hilmar Hofmann was appointed as the new Fire Chief.

Council was pleased to have Corporal Anderson of the R.C.M.P. detachment at Evansburg drop in to provide information as to what the R.C.M.P. are able to do for the Village in regard to policing, according to provincial regulations.

OVEN MEALS

One very convenient and economical way to prepare meals is in the oven. I'll never forget one professor saying it was cheaper to do a meal using only one part of the stove, such as everything cooked in the oven, or all on the top. But I've never tried one complete meal in the oven. There are advantages to an oven meal:

1. You can prepare it ahead if you are going out for the day - and just pop it in when you get home.
2. Entire meal goes into the oven at once and comes out at once.
3. Makes full use of the oven.
4. Leaves you free at the last minute to be with your family and guests.

OVEN MEAL FACTS

1. Vegetables may be cooked in the oven in a covered casserole containing approximately ½ cup water. (This follows the principle for cooking vegetables -- little water preserves the nutrients).
2. It takes two to three times as long to oven steam vegetables as for surface cooking.
3. Cooking time can be varied by leaving foods whole (for longer cooking time) or by slicing or dicing them (for shorter cooking time).
4. Frozen vegetables require at least 40 minutes cooking time in a 350 degree oven. The time is less if they are thawed before cooking.
5. Add 15 minutes to all cooking times if food starts in a cold oven -- including meals started in automatic timed ovens.
6. Place meats and vegetables on lower racks, desserts and quick breads on top rack.
7. Arrange oven dishes so that they do not touch each other or the oven walls and so that no utensil is directly above another one. This allows for free circulation of heat for better cooking.

Here's a simple menu for a complete oven meal. -- Barbecued Pork Chops, Riced Potatoes, Oven steamed turnips, Apple and raisin tapioca pudding.

PUBLIC NOTICE

BY-LAW No. 177

A BY-LAW TO PROVIDE FOR IMPOSING PENALTIES ON ALL TAXES REMAINING UNPAID AFTER APRIL 30th. IN ANY YEAR, AND FOR PENALTIES ON UNPAID CURRENT TAXES.

****

WHEREAS By-Law No. 4 dated March 3rd, 1955 provides for a penalty of 5% on all taxes remaining unpaid after December 31st in any year, and 5% is now far below bank interest rates, and is unrealistic.

AND WHEREAS discount on current taxes is out of line as tax monies are used by the ratepayers for six months prior to the setting of the mill rate for the current year.

AND WHEREAS it has been proven discount on current taxes does not greatly improve tax collection but does necessitate a higher tax levy.

UNDER THE AUTHORITY OF The Municipal Taxation Act 1968 and amendments thereto, being sections 106(1) and 107 (1) thereof, the Council of the Village of Entwistle ENACTS AS FOLLOWS:

That an additional penalty of 3% be imposed on all taxes remaining unpaid after April 30th, in any year.

That all current taxes remaining unpaid after August 31st, in any year shall be subject to a penalty of 2% September 1st, and further 2% November 1st, of the current year.

That By-Law No. 18 dated March 14, 1956 providing for discount on current taxes be hereby repealed.

The Secretary Treasurer is hereby authorized to calculate penalties in accordance with the provisions herein above set out, and such penalties shall become an added charge against the properties affected.

This By-Law given first, second and third reading, and finally passed by unanimous consent of Council present this 11th day of January, 1971.

(Mrs.) ADELAIDE BURKE,
Secretary Treasurer.

Moon Lake Club Meets

The 3rd meeting of the Moon Lake 4-H Beef Club was held on January 12th at 8:30 p.m. in the Moon Lake Community Hall.

Club leader, Mr. Norman Johnson said that we have an appointment at the Drayton Valley Bowling Alley to go bowling on January 24th from 1 to 3 o'clock. The secretary is to write to the Tomahwk 4-H Beef Club to go bowling with us.

Suggestions for raising money were tabled again.

Public speaking was discussed and 8 club members decided to try public speaking this year.

Ralph Kapteyn gave an interesting talk on feeding management.

Mr. Johnson then showed the members how to make halters and each member then made one.

After the halter making Mrs. Kidner and Mrs. Johnson served a delicious lunch.

Fire Damages Farm Home

Heavy damage was caused at the home of Mrs. Lemke of Tomahawk during the afternoon of Christmas Day.

The family was absent when the fire started and caused heavy smoke damage before being brought under control. The fire apparently started in the basement and rose along a wall destroying all living room furniture

The farm home is located about four miles south-east of Tomahawk.

Neighbors and the fire department responded to the alarm and were able to save the building.

The Alberta Association of Registered Nurses has pushed its membership up to over 9,000 active members.

Figures released recently by the Association's Registrar, Mrs. Doris J. Price, indicate 9,497 active members are registered as of December 31, 1970.

RAMONA NEWS

Sincere sympathy is extended to the Frank Swap family and the Hutchinson families. Edith Swap passed away on Wednesday, January 13th. Edith will be sadly missed by her many friends and neighbors.

MOON LAKE NEWS

Mr. Jay Town Sr. celebrated his eighty seventh birthday on January 8th with several of his family, friends and neighbors who gathered to make the evening most enjoyable for him. We all hope you will have the weather a little warmer for next year's party Mr. Town.

Sympathy of the district is extended to Margaret Woloszyn and family who's father, Mr. A. Myck of Tomahawk passed away on January 8th.

A house-warming party was held for Mr. and Mrs. Frank Lang on Boxing Day, when about sixty persons gathered to warm up their new house for them. They were presented with an electric stove for their new home from relatives and friends.

Lyle and Evelyn Town are home for a week due to the camp being closed.

A lovely bridal shower was held in the community hall on Sunday evening, January 17th for Donna Woloszyn, daughter of Mr. and Mrs. Stan Woloszyn.

The Ramona Community League held their monthly bingo on Tuesday, January 12th. We would like to congratulate Mrs. Alma Boulanger who won the $190.00 jackpot. On February 2nd the jackpot will be $105.00. Another big winner that night was Ruth Nixon who bingoed about seven times and won a raffle prize and a door prize. Ruth is one of the many people we see at our bingo every month so we are happy to see her go home a big winner. The raffle prize winners were Ruth Nixon and Ken Mulyk. The door prizes were won by Marge Blake, Phyllis Kelly, Linda Blatkewicz, Rose Pare, and Ruth Nixon. The winner of our big raffle which was drawn in Macleod's Wednesday was Mr. Larry Gano.

Congratulations to the Lawrence Davidson family on the birth of a son. We imagine Owen is very happy to have a new brother. Florence and baby came home from hospital on Sunday.

Patty Grue is staying in Edmonton and going to the University hospital as an out patient for therapy. We hope you'll soon be home good as new Pat.

Dora Plewis is starting to get around now in a walker in the Drayton Valley hospital. If she keeps inproving favorably she won't have to go to Edmonton for therapy.

Teresa Grue and Jerry Busenuis were Sunday visitors at the Marve Grue's.

Joan and Carl Thornton were Sunday visitors at Joan's mother's Dora Plewis and her brother, Ken Stewart's.

The Teen Club will hold their monthly meeting and sock hop on Friday, January 29th. All teens or youngsters in the community between 10 and 17 are welcome to attend. Membership fees are 50¢ a year. There is a charge each night of 25¢ and I think the charge is a little more if you are not a paid member.

We would like to wish the Rocky Rapids community all the best with their bingo. They are starting to hold bingo's on the fourth Tuesday of each month starting on January 26th.

Weekly Livestock Report

The Edmonton weekly livestock report for week ending January 16, 1971 provided by the Livestock division, Canada Department of Agriculture

SALES	CATTLE-CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	3450	2025	1425	3370	280
Last Week	4571	2917	1654	3730	59
Same Week 1970	5329	3008	2321	2441	281

SUMMARY

Extremely cold sub-zero weather this past week curtailed the movement of livestock resulting in sharply lower receipts. A short supply of slaughter classes both on the market and at local plants resulted in higher prices for killing cattle. Butcher steers 1.00 higher, butcher heifers 75 - 1.00 higher, all grades of cows 1.50 higher. Bulls 50 cents higher and veal calves 1.00 higher.

SLAUGHTER CATTLE AND CALVES

Butcher steers opened the week strong at 30.50 and sold higher from day to day closing at 31.50 for choice handyweights. Heavy and overfat steers were meeting slight discounts of about 50 cents. Butcher heifers sold strong throughout the week for the quality on offer, a few choice kinds closed at 29.30. Butcher cows opened the week 50 - 1.00 higher with lower grades showing the most strength. In closing sales good cows were topping 21.00 and canners and cutters 19.00. Bulls strong to 50 higher, odd sale to 25.00 and higher for extra good export types. Veal calves closing 1.00 higher with sales to 46.00.

REPLACEMENT CATTLE AND CALVES

The cold weather slowed delivering of replacements and also slowed the demand resulting in no change in quotations for the week.

SHIPMENTS

Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East, 55 feeders. West to B.C., 55 slaughter. Feeders to southern Alberta areas - 640 cattle and calves. Export - 26 bulls.

BERRYMOOR NEWS

Christmas Day wasn't very happy for the Cy Young family. Their home and all of its content was destroyed by fire. Luckily none of the family members were injured. The Young family are now living in the house formerly occupied by Mr. and Mrs. Gary Lindahl. They have received help from various sources for which they are most thankful. The Lindale 4-H Swine Club sponsored a benefit dance in the Lindale Hall on January 8th for their benefit and was well attended.

Sincere sympathy is extended to all members of the family of Alec Horvath, who was killed in a highway accident on Christmas night.

Fred Martin spent Christmas with the Malin family at Sangudo.

Mr. Ronald Williams, a former principal of the Lindale school, was a district visitor during the holiday season. He also came back again to attend the Young benefit dance on January 8th. Mr. Williams is now principal of the school at Hisler, Alberta.

A farewell party was held at the Lindale Hall on December 29th for Mr. and Mrs. Gilbert Martin and family. The Martins have sold their farm and have bought a business in the Grande Cache area. Considering that the party was arranged on very short notice, the attendance was good. They were wished the very best in their new venture and presented with a purse of money. Gilbert and Shirley have always been active in community activities and will be missed very much. They left for their new home on January 2nd.

Mrs. Dorothy Cropley and Mymitta spent Christmas and New Year's with Dorothy's folks in Calgary.

Mr. and Mrs. W. Joneson and Milton spent the New Year weekend in Berrymoor. They are all settled in their new home in Peace River and report that they like the northern Alberta town very much.

Mr. and Mrs. Dan Buzludney and Marshall of Lindale report that they had the pleasure of having a visit of a few days duration from their young granddaughter at Christmas time.

Mr. Frances Buzludney also reports that she spent New Year's with her sister and brother-in-law in Edmonton. They took in a New Year's Eve dance in the city and had a most enjoyable time.

Mr. and Mrs. David Van Ember flew to B.C. recently, in David's plane, to visit relatives.

Mr. and Mrs. Bill Belle and Mrs. Berkins from Leduc, were Christmas guests at the home of Mrs. Elizabeth Belle and Stuart.

Mrs. Stancross from Olds and Mr. and Mrs. Castella from Spruce Grove were guests at the Belle home on New Year's day.

We regret to report that Mr. and Mrs. Tom Horsman and family are leaving our community to take up residence in Rocky Mountain House. However, we wish them the very best in their new home.

Dwayne Thorsen and Martin Lietz are among those who have returned home from northern jobs because of the extreme cold.

Sincere sympathy is extended to Mr. Edwin Dahlgren and all members of his family on the death of his brother, Robert Dahlgren. Edwin came from Vancouver to attend the funeral.

Congratulations to Rev. and Mrs. James Bend on the birth of a son on January 7th. This young man was the new year's baby at the Drayton Valley hospital.

Mr. and Mrs. Donald Martin motored to Red Deer on January 3rd to return Gerry and Earl to their school. On the way home Mr. and Mrs. Martin stopped to visit with their daughter and family; Mr. and Mrs. Gordon Tryon of Breton.

Mr. and Mrs. Calvin Lind and family of Cowley, Alberta were Christmas guests at the Jim Martin home. Mr. Lind is Mrs. Martin's brother.

Mr. and Mrs. Earl Lawson have moved their trailer into the yard at the Roy Lawson's home. Earl has gone north to work.

A number of meetings and community activities have been postponed or cancelled because of the extremely cold weather. The school buses have been sent home early on a couple of occasions because of the danger of blocked roads from drifting snow.

A bus load of Lindale School students took in Ice-Capades on January 15th.

Artificial Ice Now in Use by Entwistle Curlers

On January 9th the Entwistle Community officially curled on artificial ice after the rink opened in 1951. Mr. Forest Bancroft, a councillor and an old timer of this district, threw the first rock to open the rink.

Local curling and bonspiels will be very much on the agenda for the next several months. It is hoped that many of the young folk will take this opportunity to learn to curl while they are still in school.

Many of the people that curled in 1951 are still curling here and quite a few who have learned to curl are still coming back to local bonspiels.

A 'spiel was held to commemorate the occasion with the winners being: A event: Don Hofmann and the B event Audrey Deardoff. Everyone enjoyed the curling despite the cold weather.

BUCK LAKE NEWS

Ejnar Larsson has been in Wetaskiwin Hospital for some time now. We hope you are improving Ejnar.

Mrs. Freda Jason spent a week in the hospital in Leduc, returning home on Sunday. Mrs. Leopal Larsson substituted at the school for the grades three and four classes.

Wes and Betty Bouck went to Mulhurst on Monday to visit her neice, Buddy and George Spiess and family. Thanks very much, Buddy for the Nabob Coupons. 156 more to add to our collection towards the coffee urn for the Rec' Centre.

Curling began Monday, January 4th on the new Artificial Ice.

Miss Linda Siegel is the 1971 Snow Queen Candidate for grade 11 at Winfield High School. Please support your local candidate.

Jack and Elsie Parker had all the family home for Christmas except for Dan, Gwen and Jody who spent the day at her folks at Mallet. Elsie's sister and daughter were there as well and took her to Wetaskiwin on the 28th.

Paul, Trudy and Paula Huckerby were out at the Mel Dawsons during the festive season and Penny Dawson as well. They attended the Christmas Dance.

There was no school Thursday and Friday due to the drifting snow and blizzard conditions. There was also no school on Monday due to the weather.

It does not always pay to help the other fellow. For example, the other night the roads were so treacherous a carpenter from the Delhi Plant got out of his car to help push a vehicle up the hill, and on the way back to his car, fell, breaking his leg. He had to crawl back to his own car in this condition and was in pain for sometime before the McLeod family heard the car horn blowing and went out. He was taken to the hospital by private car.

The Buck Lake Hotel and all cabins available were filled to capacity during Fishing Season.

IN MEMORIAM

PICKUP -- In memory of a loving husband and father, Howard Watson, who passed away January 18, 1970.
In a country graveside,
Where the trees and branches wave,
Sleeps our loving father
In a cold and silent grave.
He is gone but not forgotten
Nor shall his memory fade,
Sweet thoughts shall ever linger,
Round the grave, where he is laid.
-- Sadly missed by his wife Eleanor and family, Mark, Connie and Gordon.

CARD OF THANKS

We wish to thank our friends, neighbors, the Tomahawk Fire Department and Drayton Valley Fire Department who responded to our help on Christmas Day when our house was on fire. Also to our friends a sincere thank you for your help in supplying us with clothing, sleeping quarters and meals.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

I came across a set of rules for children, that was used a couple of hundred years ago. After reading it, you will see that many of the regulations are still around. Here they are for your enjoyment, spelling changes and all.

ESSAY OF SCHOOL RULES

Read and agreed to at a meeting of the School Committee the First Day of the Ninth Month, 1798.

1st - Mind to have your hands and faces washed and heads combed every morning before you come to school and be careful to be there by the time appointed.

2nd - Come into school quietly and soberly, and when there be quiet and still at your proper business; and mind the instructions of the teacher, move not from seat to seat, or go out unnesecerily and but one at a time.

3rd - Do not scribble in your own, or one anothers speling, reading, writing or cyphering books; nor use one anothers pens etc. without leave.

4th - In coming to or going from School, behave with decency and sobriety, not differing with or purposely hurting or offending each other; mock nor insult any person, neither stop on the road to play, nor make a great and unbecoming noise.

5th- Tell no untruths, or miscall one another, nor use the corrupt or unscriptural language of you to a single person; also be careful to call the months and days of the week by their proper names as last, 2nd, 3rd etc and date your books accordingly.

6th - Let none make bargains, sell, swop or exchange on any account at school.

7th - Let there be no quarrels, fighting or chalanging to fight, no wrestleing or willfully provoking one another to anger in or out of school, no throwing dirt, sticks, stones or snowballs.

8th and lastly let these rules be observed by all, and if any willfully trample and despise the good order of the school, after being cooly admonished without manifest signs of amendment with the approbation of two or more of the Committee they are to be discharged.

FALLIS NEWS

Weekend visitors at the home of Mr. and Mrs. Vince Mickel of Fallis were Raymond Richardson and friends from B.C.

Mr. and Mrs. Roderick Hurst, formerly of Fallis, are making their new home in Wabamun.

Mrs. Hazel Hurst was home for the weekend from Field, B. C.

Bingo was held in the Fallis Community Hall on January 8th with the jackpot at $145. The next bingo to be held in the Fallis Community Hall will be on January 22nd commencing at 8:00 p.m.

Due to the cold weather and slippery side roads there have not been many fishermen on Wabamun Lake. Let's hope it warms up soon.

Mr. and Mrs. Mashtaler had friends from Evansburg visiting over the weekend.

NEWS NOTES FROM THE D.A.

FARM RECORD BOOKS

For sale in this office - $1.00 for Prairie Provinces Farm Account Book. We are not going to harp on whether or not you should keep books, or use this book, or some other one. But if you keep records for estate planning; as an aid in obtaining credit; as a management guide or only for income tax purposes now is the time to begin recording on a regular basis.

For anyone wishing an enterprize or complete farm analysis on their completed 1970 records, the cost is $25.00 per farm. Turn around time has been greatly improved. For specialized producers, the mail-in farm accounting system Can Farm may be beneficial at a cost of $50.00 per farm.

Ask a neighbor who is using our books on systems how useful they are, and you can decide for yourself their usefulness to your operation.

CANADA MANPOWER SHORT COURSES

Three livestock short courses, sponsored by Canada Manpower and open to both men and women, will be held early in the new year at Alberta's agricultural colleges. They are designed to train foremen and animal husbandrymen for hog, sheep and dairy enterprises.

Canada Manpower will pay the tuition and the cost of room and board and books for applicants who are 17 years old and who have been out of the regular school system for at least a year. It will also pay a loss of income allowance for students who leave a regular job or who have to hire someone to take their place while they are on training, providing that the student has been attached to the labor force for three consecutive years, this includes farming, or he has other people completely dependent upon him. Anyone interested in Manpower assistance should contact his local Manpower center.

The hog production course starts at the Vermilion College on February 1st and runs until May 15th. It was instituted in co-operation with the Western Hog Growers Association whose members have arranged for students to have two six-week periods of on-the-job training on specialized hog farms.

Oriented towards specialized commercial hog production, the course deals with all aspects of production in detail. It covers such things as breeding, farrowing, weaning, growing and finishing hogs and the economics of each. Nutrition is also dealt with in detail as well as hog improvement. The latter includes grading, within herd selection, use of record of performance information, genetics of hog breeding systems etc. The course also covers principals of heating, ventilating, building layout, liquid manure systems, and materials handling equipment. Still another section deals with human relationships.

Students who have taken this course in previous years have been well received by the hog industry. Some are working with specialized producers, while others have gone into hog production on their own.

The sheep production course will be held at the Fairview College from February 15th to 20th. It will be under the guidance of Trevor Jones, animal science instructor at the college and a leading authority on sheep production in Western Canada.

The course is designed to give students a thorough understanding of sheep husbandry and to provide them with information on the latest production methods. It is also designed to provide experienced sheepmen with up-to-date material.

The course covers genetics, reproduction and breeding systems nutrition, lamb management, sheep management systems, parasite and predator control and wool and lamb marketing. A group of ewes, bred to a Finn ram, will lamb during the course so that students can get practical lambing experience.

The dairy production course will be held at the Olds College from March 1st to 26th. It will cover four broad areas of milk production with emphasis on the practical application. The four areas are: (a) preparing the cow for milking, maintaining and operating milking equipment, handling milk and sanitation; (b) feeding, nutrition and replacement stock; (c) keeping records in relation to breeding, production and feeds; and (d) management and herd health, which includes housing and equipment.

The dairy course was specifically designed to meet the fluid milk industry's need for competent, responsible help. Consequently, job opportunities for graduates are excellent.

There are no academic requirements for any of the three courses. The cost of the hog and dairy courses for people who do not qualify for Canada Manpower assistance is $25 for tuition and $75 a month for board and room plus the cost of written material. Tuition for the sheep course is $10.00.
